EDUCATION

Qualification	Institution	Year	CGPA / %
B.Tech, CSE	Apex Institute of Technology (AIT)	2023 - 2027	8.58/10
Class XII - CBSE	Central Public School CSE	2023	89.2%
Class X - CBSE	Kendriya Vidyalaya CSE	2021	90.1%

Semester SPI: S1 8.34 | S2 8.41 | S3 8.48 | S4 8.55 | S5 8.62 | S6 8.69

PROFILE

Computer Science and Engineering student targeting software development engineer roles, with a 8.58 CPI and applied work in secure document workflow. Comfortable with Java, Python, Data Structures, SQL, structured documentation, review, and problem solving; interested in distributed application development.

TECHNICAL SKILLS

- **Core:** Java, Python, Data Structures
- **Tools / Applied:** SQL, Git, Problem Solving
- **Career focus:** Distributed application development | Software Development Engineer | Industry-ready problem solving

WORK EXPERIENCE / RESEARCH

Vertex Engineering Solutions May 2026 - Jul 2026

Software Development Engineer Intern

- Contributed to secure document workflow experiments, documentation, and review-ready deliverables.
- Applied Java, Python, Data Structures to structure technical inputs, validate workflow behavior, and document findings.
- Participated in structured reviews, incorporated feedback, and maintained clear handover notes.

PROJECTS

Secure document workflow Workspace github.com/placementhub-demo-2027/riya.tiwari-cse-workspace

Tech: Java, Python, Data Structures

- Designed a Computer Science and Engineering project focused on secure document workflow, with documented requirements, validation results, and a usable reporting workflow.
- Applied Java, Python, Data Structures and organized the work for repeatable review, debugging, and handover.
- Captured assumptions, edge cases, and next-step recommendations so another student could reproduce and extend the work.

CSE Practice Toolkit github.com/placementhub-demo-2027/riya.tiwari-cse-toolkit

Tech: Data Structures, SQL, Git

- Built a compact applied toolkit for distributed application development to improve repeatable data capture, technical review, and communication.
- Used Data Structures, SQL, Git and documented key usage decisions for future extension.

ACHIEVEMENTS & CERTIFICATIONS

- Department technical showcase finalist - CSE Academic Forum (2026), based on work related to secure document workflow.
- Applied Data Analysis - Coursera (2026).
- Maintains project repositories and professional links to support technical review during campus recruitment.

POSITIONS OF RESPONSIBILITY & ENGAGEMENT

Technical secretary - Cybersecurity Club

- Coordinated a small student activity with clear task ownership, communication, and handover notes.
- Supported peer participation and organized activity deliverables for smooth execution.
