EDUCATION

Qualification	Institution	Year	CGPA / %
B.Tech, CSE	Apex Institute of Technology (AIT)	2023 - 2027	7.81/10
Class XII - CBSE	Model Senior Secondary School CSE	2023	82.8%
Class X - CBSE	Central Public School CSE	2021	84.7%

Semester SPI: S1 7.57 | S2 7.64 | S3 7.71 | S4 7.78 | S5 7.85 | S6 7.92

PROFILE

Computer Science and Engineering student targeting software development engineer roles, with a 7.81 CPI and applied work in route planning service. Comfortable with Java, Python, Data Structures, SQL, structured documentation, review, and technical documentation; interested in distributed application development.

TECHNICAL SKILLS

- **Core:** Java, Python, Data Structures
- **Tools / Applied:** SQL, Git, Technical Documentation
- **Career focus:** Distributed application development | Software Development Engineer | Industry-ready problem solving

WORK EXPERIENCE / RESEARCH

Institute Applied Research Lab Jan 2026 - Apr 2026

Student Research Assistant

- Contributed to route planning service experiments, documentation, and review-ready deliverables.
- Applied Java, Python, Data Structures to structure technical inputs, validate workflow behavior, and document findings.
- Participated in structured reviews, incorporated feedback, and maintained clear handover notes.

PROJECTS

Route planning service Workspace github.com/placementhub-demo-2027/manav.saxena-cse-workspace

Tech: Java, Python, Data Structures

- Designed a Computer Science and Engineering project focused on route planning service, with documented requirements, validation results, and a usable reporting workflow.
- Applied Java, Python, Data Structures and organized the work for repeatable review, debugging, and handover.
- Captured assumptions, edge cases, and next-step recommendations so another student could reproduce and extend the work.

CSE Practice Toolkit github.com/placementhub-demo-2027/manav.saxena-cse-toolkit

Tech: Data Structures, SQL, Git

- Built a compact applied toolkit for distributed application development to improve repeatable data capture, technical review, and communication.
- Used Data Structures, SQL, Git and documented key usage decisions for future extension.

ACHIEVEMENTS & CERTIFICATIONS

- Applied project showcase participant - CSE Academic Forum (2026), based on work related to route planning service.
- Professional Communication - NPTEL (2026).
- Maintains project repositories and professional links to support technical review during campus recruitment.

POSITIONS OF RESPONSIBILITY & ENGAGEMENT

Contributor - Open Source Club

- Coordinated a small student activity with clear task ownership, communication, and handover notes.
- Supported peer participation and organized activity deliverables for smooth execution.
