EDUCATION

Qualification	Institution	Year	CGPA / %
B.Tech, MI	Apex Institute of Technology (AIT)	2023 - 2027	7.53/10
Class XII - CBSE	Central Public School MI	2023	80.7%
Class X - CBSE	Kendriya Vidyalaya MI	2021	82.1%

Semester SPI: S1 7.29 | S2 7.36 | S3 7.43 | S4 7.50 | S5 7.57 | S6 7.64

PROFILE

Mining Engineering student targeting mine planning engineer roles, with a 7.53 CPI and applied work in incident trend dashboard. Comfortable with Mine Planning, AutoCAD, GIS, Safety Management, structured documentation, review, and technical documentation; interested in mine safety analytics.

TECHNICAL SKILLS

- **Core:** Mine Planning, AutoCAD, GIS
- **Tools / Applied:** Safety Management, Python, Technical Documentation
- **Career focus:** Mine safety analytics | Mine Planning Engineer | Data-informed decision making

WORK EXPERIENCE / RESEARCH

Institute Applied Research Lab Jan 2026 - Apr 2026

Student Research Assistant

- Contributed to incident trend dashboard experiments, documentation, and review-ready deliverables.
- Applied Mine Planning, AutoCAD, GIS to structure technical inputs, validate workflow behavior, and document findings.
- Participated in structured reviews, incorporated feedback, and maintained clear handover notes.

PROJECTS

Incident trend dashboard Workspace github.com/placementhub-demo-2027/tanya.roy-mi-workspace

Tech: Mine Planning, AutoCAD, GIS

- Designed a Mining Engineering project focused on incident trend dashboard, with documented requirements, validation results, and a usable reporting workflow.
- Applied Mine Planning, AutoCAD, GIS and organized the work for repeatable review, debugging, and handover.
- Captured assumptions, edge cases, and next-step recommendations so another student could reproduce and extend the work.

MI Practice Toolkit github.com/placementhub-demo-2027/tanya.roy-mi-toolkit

Tech: GIS, Safety Management, Python

- Built a compact applied toolkit for mine safety analytics to improve repeatable data capture, technical review, and communication.
- Used GIS, Safety Management, Python and documented key usage decisions for future extension.

ACHIEVEMENTS & CERTIFICATIONS

- Applied project showcase participant - MI Academic Forum (2026), based on work related to incident trend dashboard.
- Professional Communication - NPTEL (2026).
- Maintains project repositories and professional links to support technical review during campus recruitment.

POSITIONS OF RESPONSIBILITY & ENGAGEMENT

Outreach volunteer - Environmental Club

- Coordinated a small student activity with clear task ownership, communication, and handover notes.
- Supported peer participation and organized activity deliverables for smooth execution.
